

Grace Lutheran School

"Connecting People to God's Grace"

After School Care

The After School Care Program is an additional service available to every family enrolled in Grace Lutheran School (Y5-8th Grade). Families who use this service will be assessed a fee that aligns with their use of the program.

RATE 2022-23 School Year - \$3.00/Student/Day

Hours of Operation - 3:15PM - 5:30PM

After School Care ends at 5:30 PM. We want to respect the time of our ASC workers. As a result, students who aren't picked up by 5:30 PM will have a \$10 late pick-up fee added to their bill. If you know you are going to be late, please call the ASC supervisor to inform them. Additionally, if there is a special circumstance around the late pick-up (ie. medical emergency), please communicate that to the principal.

Students who are waiting for after-school sports practices that begin at 4PM or earlier will not be charged for their time in ASC. Students who have practices starting later than 4PM will be charged the daily ASC rate.

A need-based assistance fund will be available for families who require this service, but paying for it would create a financial hardship for their family (an application will be part of this process - located in the school office).

All payments made for this service, donations or fees, are tax deductible.
