Preschool Program Selection Form

We offer two programs for you to choose from.

The **3K-4K program** is the first step in our Early Childhood Program. It is intended for students who at least 3 years of age by September 1 (and fully potty-trained) and plan to attend Kindergarten in 1-3 years. Parents may select how many days/week they would like to have their child in this program which runs from 8:15AM – 11:15AM. Parents may also indicate which days of the week they would prefer their child attend, though that is subject to availability. (Program capped at 20 students per day.)

The **Young 5s program** is a Kindergarten readiness program for those who missed the September 1 cut-off or who need an additional year of PreK. Students enrolled in this program will meet every afternoon from 12:15 – 3:15 Monday through Friday. (Program capped at 24 students per day.)

Both programs are designed to prepare students for Kindergarten when they are eligible.
